Attached is a copy of the IDS received on August 8, 2005. The references on the first page of the IDS have already been considered and a copy of the considered IDS was mailed on November 7, 2005. A copy of the considered IDS is also attached to this communication. The second page of the IDS received on August 8, 2005 cites two references that have not been previously cited by applicant. Applicant's file shows that the IDS submitted on May 11, 2005 only included one page citing the eight references that were considered on November 3, 2005. Applicant has not submitted evidence that the second page was included in the IDS of May 11, 2005. Therefore, the two references cited on the second page have not been considered because they were submitted after allowance and the IDS does not comply with the procedures of chapter 609 of the MPEP. A copy of the IDS has been placed in applicant's file.
